BIOFRUITNET final conference - Online

## Innovative solutions in organic fruit production

02 March 2023, from 9:15 to 13:30 (CET)

Join us to know about:

**Solid European networks in organic fruit production**

**Knowledge sharing**

**Innovative tools for farmers and advisers**

**Pest and disease control, varieties and rootstocks, biodiversity and soil management**

**Pome, stone and citrus fruit strategies**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 862850. This communication only reflects the author's view. The Research Executive Agency is not responsible for any use that may be made of the information provided.
